A Symphonic Celebration **The World of Hans Zimmer**

The “The World of Hans Zimmer – A Symphonic Celebration” concert tour is back on its triumphal procession across the world. The groundbreaking tour, which stars longtime friends and colleagues of Hans Zimmer – the rock star of film score composers – is set to remain in high demand. 2022 more concert dates will follow in Europe.

Hans Zimmer is curator and musical director of the show, but he is not performing live on stage during „The World of Hans Zimmer – A Symphonic Celebration“. Zimmer invited several renowned soloists from his talent factory and circle of friends to take part on tour.

In contrast to the “Hans Zimmer Live” tour, where the sound focuses on Zimmer’s band and the electronic sounds of the music, “The World of Hans Zimmer – A Symphonic Celebration” will present the composer’s works arranged for a live symphony orchestra for the very first time. Zimmer himself spent months transforming his soundtracks into opulent concert suites.

Also, the audience will be able to enjoy stunning visual projections of film sequences alongside the music. Zimmer gave precise instructions to the artistic direction about which scenes were important to him and should be used in the projections.

Short video recordings of Hans Zimmer and his long-time friends and colleagues will also be shown intermittently throughout the show to give the audience exciting and amusing looks behind the scenes of his studio work.

“The World of Hans Zimmer – A Symphonic Celebration” is a unique opportunity to introduce orchestral music to a new generation, to preserve the orchestral culture and present it in a less elite world. The audience will have the chance to delve into the thrilling “World of Hans Zimmer” with all its multilayered facets.

Sony Classical released the double-album “The World of Hans Zimmer – A Symphonic Celebration” in spring 2019. The album features the music from the concert tour and presents newly arranged concert suites of Hans Zimmer’s greatest hits. “The World of Hans Zimmer – A Symphonic Celebration” BluRay video album followed in October 2021. The concert film captures the emotional atmosphere on a special evening at legendary “Wiener Konzerthaus” and contains the music video for “Time (Alan Walker Remix)” as well as all 6 music videos from the “Enter The World of Hans Zimmer” video competition as bonus material.

Presented by Simmel Concerts, RCI Global & Tomek Productions.
